Weight:	36 lbs (without filters) ; 42 lbs (with HEPA filter)
Dimensions:	19" W x 20" H x 32" L 9 (482.6 W x 508 H x 812.8 L)
Airflow:	250 to 800 CFM
Variable Speed Control:	3050 RPM max
Power Supply:	115 vac/1 ph./60 Hz.
Operating current:	2.6 amps
Daisy Chain:	Up to three units on a 9 amp circuit
Stackable:	Up to three units
Inlet/Outlet Connection:	12" dia. collar
Country of Manufacture:	Canada
Warranty:	1 year (excluding filters)
Standards:	CAN/CSA C22.2 No. 113-15 (10th Ed.), UL 507 (9th Ed.)

Dealer Information:

Save time and money!

Toolless access for speedy on site filter changes and change part maintenance

Perfect Seal 360° cylindrical HEPA filter provides up to 75% more surface area than competitor filters, resulting in longer filter life and fewer filter changes

Perfect Seal 360° delivers balanced particulate loading until filter reaches full capacity

Multi functionality for diverse applications - particulate, VOC or combination

airwash[®] MULTIPRO Air Scrubber

Interlocking cabinet profile

Provides stability when stacking during transport or when daisy-chaining multiple units

Contoured flex handle

Ample clearance for comfort and mobility, flexes downward for secure stacking

Air flow indicator

Indicates reduced airflow, alerting user filter change may be necessary

12" inlets/outlets

Accommodates up to 800 cfm

Durable housing

Rugged UL 94 compliant flame retardant polyethylene housing for tough environments

Quick release latches

Toolless filter changes and access for cleaning

Variable speed control

Customize the airflow levels you need from 250 to 800 cfm

User-friendly control panel

GFI protected receptacle outlets, allowing daisy chaining up to three units

Application Options

Perfect Seal™ HEPA

Toolless cylindrical Perfect Seal™ HEPA filter media for dedicated fine particulate filtration down to 0.3 microns, option to add up to 3 pre-filters for extended service life

Perfect Seal HEPA/VOC Combo

Toolless cylindrical Perfect Seal™ HEPA & 5 lb. inner canister of dedicated activated carbon for air borne chemical and odour absorption, option to add up to 3 pre-filters for extended service life

Ultra VOC

25 lb. activated carbon canister for extreme air borne chemical and odour absorption, option to add up to 3 pre-filters for extended service life
