MPX-30

Mid-Pressure Compressor Spray Gun

Nozzle available (in mm):
1.0; 1.3; 1.4; 1.7; 2.0
Gravity Feed Gun installed with 1.4mm
Siphon Feed Gun installed with 1.7mm

The MPX-30 is a general purpose spray gun perfect for any type of professional spray finishing.

Designed for Full System Application: Solvent-based basecoats, Low VOC Colors or Clear Coat, High Solids.

The Fan Pattern Controller offers precise fan adjustment reducing overspray and waste. At a spray distance of 8" the fan pattern size ranges up to 13".

- Produces a softer, easier to control spray
- Utilizes more pressure than HVLP spray guns
- Recommended 13.8cfm at 36psi
- Faster application speed
- Higher atomization levels
- High degree quality of finish
- Higher transfer efficiency
- Reduced bounce-back
- Less overspray and huge material savings
- VOC Compliant
- Environmentally friendly spray gun

What's In The Box:

- MPX-30 Spray Gun (Gravity or Siphon)
- 600cc Nylon Gravity Cup or 1 Qt Siphon Cup
- High Pressure Regulator Gauge
